### New Logo / Branding Guidelines

#### What you get

You will receive 3 logo concepts to choose from, out of these one can choose one design / concept to proceed with. Branding guidelines will accompany each logo concept, which then can be used for all branding, print, and digital use. Once approved and finals designed all files will be given in vector and rasterised formats (AI, PDF, SVG, EPS, PNG, JPG).

#### Revisions (1)

Once one logo is chosen from the 3 provided by e92create one revision is permitted on the design chosen. 1 Revision is also permitted for the branding guidelines set out for the logo chosen.

### A4 Brochure or Business Card Design

#### What you get

You must chose "either" a A4 brochure or a business card design. These will be designed after the final logo and brand guidelines have been approved. All content for the brochure or business cards must be provided by the "customer". Once approved and finals designed all files will be given in print ready formats (PDF, PNG, JPG).

#### Revisions (1)

1 Design will be given based on the brief and logo/branding created by e92create. 1 Revision is permitted prior to finals being approved.

### 6 Page Website

#### What you get

A choice of 6 pages from a pre-approved site map. For example (Home, About us, Services, Testimonials, FAQ, Contact Us). Once approved e92create will provide a concept website design. After this development will begin and files will be provided in (HTML, and local repository format)

#### Revisions (1)

1 Website Design will be given based on the brief. 1 Design revision is permitted pre-development.

### Basic SEO Service

#### What you get

Included: Keyword Research, Focus on 10 Keywords, Link Building, Monthly ranking report
